Bears Continued Their Raids, but with Poor Success.

Strong Bull Cards.

The Olcott R. T. Plan May Be Abandoned for Another.

WALL STREET, Friday, May 6 .- The bear less success than on yesterday, although it was announced at an early hour that over \$2,500,000 gold had been taken for shipment to Europe.

The great drive, of course, was against American Sugar, which was sold down to 88%, against 89% last night. The short interest is so heavy, however, that great John White, Whom He Threw difficulty was experienced in forcing the price lower, and finally the tide turned. There were heavy orders at about 89.

The general list yielded only fractionally and towards midday prices improved mate-rially. It is also stated that Brexel, Mornand American American Electric constant and others were a platform guard at the cone Hundred and Twenty-ninth street station of the Third average for assault on Joseph H. White, of 7128 Fifth avenue, and William J. Goff, of 523 East Eighty-nith street.

This assault follows closely upon the deci-

The present Board of Directors of the Central Rallroad of New Jersey will be re-elected at the annual meeting to-day. The annual report was printed some time ago. The dompany last month paid off the last of its car trusts, amounting to about \$130,000.
